## DEAD CLEAN

In 2014 DEAD CLEAN was created in Amsterdam by a small team of professionals. There was a shared passion to create high quality skincare that invigorates both body and mind. The ritual of cleansing one's skin is part of everyday well-being and should be healthy and fun.

## Luxury Hotel Cosmetics

DEAD CLEAN is renowned for its signature scent Mint Tea. Mint Tea is the pleasing outcome that results from combining high quality essential oils (derived from naturally grown herbs) and the essence of the Dead Sea. Founded in 2001, Moooi's style under the art direction of Marcel Wanders is exclusive, daring, playful, exquisite and based on the belief that design is a question of love. Moooi decided to take a next step by extending this gift to our daily routine, creating a line of sumptuous beauty products for luxury hotels.
